TERMS & CONDITIONS

All paving stones remain the property of the museum. Inscriptions should be names of individuals only. The museum reserves the right to approve all lettering and refuse any application considered unsuitable. In such cases the museum has no obligation to cite reason and a full refund will be offered. Engraving of the paving stones will be done by a specialist engraver to maintain the look and feel of our site. The museum will endeavour to engrave a section of paving stones once a year prior to the busy summer season of racing events. The museum will have complete control over the location and installation date of the paving stones. The museum will maintain the walkway for a minimum of ten years as a lasting tribute. However, the museum reserves the right to move or relocate the paving stones. All reasonable efforts will be made to keep the stones in the chosen location. No liability can be accepted by the museum for any damage caused to the paving stones due to natural causes or visitor footfall. Any amendments to the inscriptions provided on the order form must be made within 14 days of receipt of the gift box and certificate, thereafter the museum accepts no responsibility for changed or incorrect names.
